Dear Frank:

This letter will provide the information you requested during my visit of September 19 regarding the proposed contract for the services of one of our engineers for a period of approximately one year.

a) Basic Rate

STATINTL

b) Out Plant Overhead Rate

See attached schedule

c) Tax Rate

Our Standard policy 803-8 generally applies to this assignment and appears reasonable to us in light of the additional expenses [redacted] expects to incur over his normal expenses as a result of this assignment. These are estimated as follows:

Apartment	\$3400
Home Maintenance	1250
Tax	
Virginia State Income	880
Local County Taxes on	
Apartment Rental and Car	<u>30</u>
	\$5760

In regard to both the out plant overhead and G&A rates, we would be willing to have the rates as presented in my August 13 letter used on a provisional basis until negotiation with DOD and your agency were completed. You might wish to contact [redacted] at GSA to confirm the prior practices used in this regard.
